Customer Experience

EPA recently launched a new intranet website as part of the Customer Experience Program to improve the IM/IT services it provides agency employees. Check out your new [Customer Experience \(CX\)](#).

Mandatory Training

EPA staff must complete six training courses this year. New employees must complete specific onboarding courses within the first 90 days of employment. Don't delay. [Complete your mandatory training.](#)

National Campaigns

September is a big month with the launch of three important campaigns – National Preparedness Month, National Suicide Prevention Awareness Month, and National Recovery Month. [Discover more.](#)

Food Safety

September is National Food Safety Education Month. Though the United States food supply is one of the safest in the world, it doesn't mean our food is free from all pathogenic bacteria. Read more in this [food poisoning blog](#).

Surabhi Shah

EPA benefits from the contributions of employees like Surabhi Shah, who is considered the founding director of EPA's [Urban Waters Program](#). This program supports efforts to improve local waters while revitalizing communities. Surabhi is the face of the Urban Waters Team, which includes over 100 people across EPA's program and regional offices. Surabhi has worked in the environmental field for over 20 years, and she has also led innovation in EPA's water quality, drinking water, and stakeholder engagement programs. Learn more about Surabhi by visiting her [Delve profile](#).
